

SANNI FAVOUR

Web Developer | React Developer

PROFILE

Passionate web developer focused on building modern, responsive, and user-friendly websites and web applications. I enjoy turning ideas into functional digital experiences and continuously improving my skills through practical projects and learning.

EDUCATION

Olabisi Onabanjo University (OOU)

Undergraduate Student

TECHNICAL SKILLS

HTML5 • CSS3 • JavaScript • React • Tailwind CSS • TypeScript • Next.js • Git • GitHub • Responsive Web Design

PROJECT EXPERIENCE

Personal Portfolio Website

Developing a responsive personal portfolio using React and Tailwind CSS. Includes About, Skills, Projects, and Contact sections.

Food Website

Built a modern responsive food website focused on presenting meals and providing an engaging browsing experience.

Movie Discovery Application

Developed a React-based movie application using an external movie API, with search functionality and movie listings.

Travel Journal

Created a React project for documenting places visited, including images and short descriptions.

EXPERIENCE / TRAINING

SIWES — Web Development Training

Practical experience with HTML, CSS, JavaScript, React, Tailwind CSS, TypeScript, Git/GitHub, and Next.js.

Worked on responsive websites, reusable components, troubleshooting, and personal web projects.

ADDITIONAL SKILLS

Problem Solving • Responsive Design • Team Collaboration • Continuous Learning • Debugging • UI Development
